OF AUSTRALASIA

INVITATION TO ATTEND SSA 2021

On behalf of the Stroke Society of Australasia and the Organising Committee of SSA 2021, we would like to invite you to participate in the Stroke Society of Australasia 2021 Conference. The conference will be held from 12-15 October 2021 at the Perth Convention and Exhibition Centre, Western Australia.

SSA held its first meeting in Perth 1990, which means it will be celebrating over three decades in 2021. This brought the theme of this meeting as "Back to the Future". This theme will allow us to cover broad topics of stroke and represent speakers young and experienced.

Topics include:

- Basic Science
- Heart and Stroke
- Technology / Machine learning
- Intracerebral haemorrhage
- Systems of care
 - Prehospital
 - Stroke calls
 - Telestroke
 - Mobile stroke unit / Prehospital stroke care
- Young Stroke (Migraine, PFO, Dissection)
- Cerebral Small Vessel Disease
- Australasian Stroke Trials Network updates
- Acute Reperfusion Therapy
 - Neurointerventional treatment
 - Thrombolysis
- Stroke Rehabilitation
 - Stroke Nursing
 - Consumer Partnership
- Allied health
- Neuroimaging
- Secondary prevention
- Neuroprotection
- New Investigator Sessions
- Controversies in Stroke

Circumstances in 2020 did not allow us to organise a face-to-face meeting but paved the path for the inaugural SSA Webinar Series, which was well received by SSA Members and the Stroke Community. The SSA Committee understand the importance of accessibility when providing quality stroke education. The 2021 Conference will incorporate virtual elements to ensure the meeting is accessible to those who are unable to travel due to the ongoing COVID-19 pandemic. We hope to continue to provide quality education and present high-quality research in the field of Stroke despite the ongoing challenging times.

We look forward to meeting you at SSA 2021 either in Perth or virtually to learn more about the products and services that you have to offer. This conference promises to be an unrivalled opportunity for you to connect with professionals interested in improving outcomes for stroke patients now and in the future.

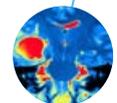

Kind Regards,

Darshan Ghia

Chair of the Organising committee, SSA 2021

Consultant Neurologist and Head of Stroke Unit, Fiona Stanley hospital, Perth.

Clinical Senior lecturer, School of Medicine and Pharmacology, University of Western Australia.
